

“Native America: Diversity Within Diversity”

R.E.A.C.H. for DIVERSITY!

Respect, Education, Awareness, Collaboration, Honesty

This Veterans Health Administration diversity film explores “diversity within diversity” in the context of Native America and follows an American Indian registered nurse who comes from a diverse background as he encounters various American Indian veterans, community members, and other stakeholders.

To view a copy of the video, contact the Education Specialist, EEO Manager or Library Service at your facility.

“Our Strength is Our Diversity”
