

The following constitutes agreement between the Department of Veterans Affairs and the AFGE National VA Council regarding the interim instructions for the garnishment of Federal employees' pay.

1. If an employee files an appeal to the garnishment order, the processing of the garnishment action will be delayed pending the outcome of the appeal if the "law of the jurisdiction which issued the legal process" provides for the delay.

2. Unless a lower maximum limitation is provided by applicable state or local law, the maximum part of an employee-obligor's aggregate disposable earnings subject to garnishment to enforce any legal debt other than an order for child support or alimony shall not exceed 25 percent of the employee-obligor's aggregate disposable earnings for any workweek.
