Updated: September 18, 2008

INTRODUCTION

General Information

The Denver Acquisition and Logistics Center (DALC) provides products and services directly to Veterans Health Administration Clinics and other Government agencies nationally, and disabled veterans worldwide. Products available include:

- Cochlear Implants and accessories (Implants not currently included in the catalog)
- Custom and stock hearing aids (Not currently included in catalog)
- Hearing aid accessories
- Batteries
- Assistive devices and accessories
- Assistive Listening devices (to include alerting devices)
- Prosthetic socks
- Aids for the visually impaired
- Orthotic softgoods

If additional information is required on a specific item, please contact the Veteran Services Division at 303-914-5145.

How to Order

The Remote Order Entry System (ROES) simplifies the ordering process. Facilities are able to place orders electronically which increases the accuracy in the ordering process and allows the tracking of the order status on-line. Specific ordering information is described below.

A. VA Prosthetic and Sensory Aids Services VA Audiology and Speech Pathology Services

Orders should be placed through ROES. Please refer to the “ROES Training Manual and Reference Guide” for specific instructions on placing an order. Items can be shipped to the requesting service or specific veteran.

Individual veteran records should be established through ROES by the appropriate VA service. Once established in DALC records as having continuing eligibility status, veterans then may order the following items directly from the DALC:

Batteries: Complete and mail VA Form 2346, “Request for Hearing Aid Batteries and Accessories.” A replacement order card (VA Form 2346) is enclosed with the supply of batteries for use when more are needed.

INTRODUCTION

Hearing Aid Accessories: Complete and mail VA Form 1107, “Request for Hearing Aid Repairs, Cords or Tubing” or VA Form 2346, “Veteran’s Request for Hearing Aid Batteries and Accessories” by filling in the “Accessories” block. VA Form 1107 is enclosed in the box set-up that is sent with the initial supply of batteries. A replacement card (VA Form 1107) is also enclosed whenever repaired hearing aid(s) are returned to the veteran. A replacement order card (VA Form 2346) is enclosed with each shipment of batteries for use when more are needed.

Prosthetic Socks: Complete and mail VA Form 2345, “Veteran’s Request for Stump Socks.” A replacement card (VA Form 2345) is enclosed with the supply of prosthetic socks for use when more are needed.

VA Forms 1107, 2346, and 2345 should be available for stock at local VA facilities upon request from VA Forms and Publications. These forms can also be obtained from DALC.

B. Other VA activities

Orders should be placed through ROES. For specific instructions on placing an order, please refer to the “Remote Order Entry System Manual for Veterans Affairs Customers.”

C. Other Government Agencies (OGA), including Department of Defense (DoD) activities

Government purchase card orders for all available products, including custom hearing aids, can be placed over the Internet. For further information regarding secure Internet access and specific instructions on placing an order, please contact the Veteran Services Division at 303-914-5145.

Returns

For assistive devices, assistive listening and alerting devices, batteries, hearing aid accessories, prosthetic socks, aids for the visually impaired and orthotic softgoods:

These items may be returned for credit, if the following criteria are met:

- Are unused and suitable for reissue to any source.
- Are in original packaging and undamaged.
- Have been received at facility no more than 90 days prior to proposed return.

INTRODUCTION

In the event that an item is received damaged or defective, please contact the Veteran Services Division. If requested, a one-for-one exchange will be provided, or a credit for damaged or defective items will be issued. Exchange or credit will be provided on items returned within 90 days from date of purchase from DALC.

For stock hearing aids:

Clinics may return any stock hearing aid for any reason within six months of date of purchase from DALC, provided it is available under the current contract. This includes hearing aids that are no longer needed as well as any that are defective or require repairs. DALC requests that hearing aids be returned in "as received" condition, complete with all documentation and all other items included at the time of purchase.

VA Audiology and Speech Pathology Services may return stock hearing aids that are no longer on contract to DALC for use in the national loaner pool or they may be retained for use in the local facility's loaner pool. Credit cannot be granted for hearing aids returned for this purpose.

For Vendor Information:

If vendor information is needed, click on the vendor name located below the item name and you will be directed to the vendor information sheet that is located at the end of the catalog.

Shipping Methods:

Routine: processing and shipment of orders for stocked items is accomplished on a first-in, first-out basis. These orders will be shipped via Federal Express Ground service with a two to three day delivery timeframe.

Priority: processing and shipment of orders for stocked items is accomplished within 24 hours. These orders will be shipped via Federal Express Air service with a two day delivery timeframe. Please note that this delivery service will be used to ship backordered items as soon as they are received.

Emergency: processing and shipment of orders for stocked items is accomplished immediately upon receipt. These orders will be shipped via Federal Express Priority service with a next day delivery timeframe. Please note that emergency orders must be received before 1:00 p.m. (Mountain Time) to ensure next day delivery. Orders received after this timeframe, on weekends or on holidays will be shipped the next business day. It is requested that each situation be carefully evaluated prior to placing an emergency order as overuse can cause shipment and other overhead costs to increase.
