

NATIONAL SAFETY COUNCIL 2008 CONGRESS & EXPO

The **WORLD'S LARGEST** annual event now reaches beyond the **safety, health, and environmental** industries into the **security** industry and your **home and community!**

GATHER with other professionals in Anaheim, California, September 19-26, for:

- Technical sessions
- Pre- and post-Congress professional development seminars
- Networking opportunities

Each supply you with the insights needed to stay at the forefront and remain competitive within your industry. Plus, gain practical tips, techniques, and tools designed for immediate application to your business.

VISIT our expo floor that features:

- Over 800 exhibiting companies
- New product showcase
- Live product demonstrations
- Extended dedicated expo hours

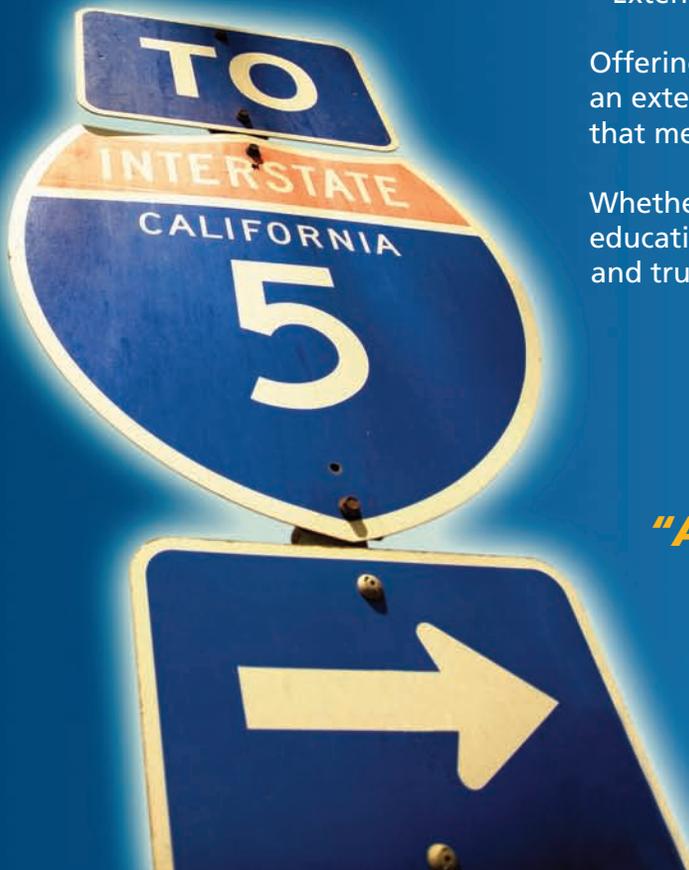

Offering you the opportunity to shop, compare and test an extensive range of innovative products and services that meet your workplace needs.

Whether you're looking for industry-leading technologies, education, innovations, networking opportunities or tried and true products and services...

The **NSC 2008 CONGRESS & EXPO** is the direction you want to go!

"All in One Place – All at One Time!"
