The parties to this new contract which incorporates the terms and conditions of the Schedule contract are the individual ordering activity and the Contractor. The U.S. Government shall not be liable for the performance or nonperformance of the new contract. The ordering activity and the Contractor expressly acknowledge that, in entering into an agreement for the ordering activity to purchase goods or services from the Contractor, neither the ordering activity nor the Contractor will look to, primarily or in any secondary capacity, or file any claim against the United States or any of its agencies with respect to any failure of performance by the other party.

 - (5) The Contractor is encouraged, but not obligated, to accept orders from such entities. The Contractor may, within 5 days of receipt of the order, decline to accept any order, for any reason. The Contractor shall fulfill orders placed by such entities, which are not declined within the 5-day period.
 - (6) The supplies or services purchased will be used for governmental purposes only and will not be resold for personal use. Disposal of property acquired will be in accordance with the established procedures of the ordering activity for the disposal of personal property.
 - (7) The state or local government ordering activity will be responsible for purchasing products or services to be used to facilitate recovery from a major disaster declared by the President under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.) or to facilitate recovery from terrorism or nuclear, biological, chemical, or radiological attack.

The Contractor shall decline the order using the same means as those used to place the order. The Contractor shall fulfill orders placed by such entities, which are not declined within the 5-day period.
- (c) In accordance with clause [552.238-74](#), Industrial Funding Fee and Sales Reporting, the Contractor must report the quarterly dollar value of all sales under this contract. When submitting sales reports, the Contractor must report two dollar values for each Special Item Number:

52.216-19 ORDER LIMITATIONS (OCT 1995) (VARIATION I-AUG 1999)
(DEVIATION - FEB 2007)

- (a) Minimum order. When the ordering activity requires supplies or services covered by this contract in an amount less than \$100, the ordering activity is not obligated to purchase, nor is the Contractor obligated to furnish those supplies or services under the contract. However, offerors may, if willing to accept smaller orders, specify a smaller amount in their offers. If a smaller amount is offered, it is mutually agreed that the Contractor will accept such orders and specify the smaller minimum order limitation in the applicable catalog/pricelist. If the offeror fails to specify a smaller amount, the ordering activity may place orders for a smaller amount. Such orders shall be deemed to be accepted by the Contractor, unless returned to the ordering office within 5 workdays after receipt by the Contractor.
- (b) Maximum order. The Contractor is not obligated to honor any order for a combination of items in excess of:

ITEM NUMBER/SIN	MAXIMUM ORDER

- (c) Notwithstanding paragraph (b) above, the Contractor shall honor any order exceeding the maximum orders in paragraph (b), unless that order (or orders) is returned to the ordering office within 5 workdays after receipt, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. The Contractor shall state separately on its invoices taxes excluded from the contract price, and the ordering activity agrees either to pay the amount of the taxes to the Contractor or provide evidence necessary to sustain an exemption.

52.229-3 FEDERAL, STATE, AND LOCAL TAXES (APR 2003)
(DEVIATION – FEB 2007)

(a) As used in this clause—

“After-imposed Federal tax” means any new or increased Federal excise tax or duty, or tax that was exempted or excluded on the contract date but whose exemption was later revoked or reduced during the contract period, on the transactions or property covered by this contract that the Contractor is required to pay or bear as the result of legislative, judicial, or administrative action taking effect after the contract date. It does not include social security tax or other employment taxes.

“After-relieved Federal tax” means any amount of Federal excise tax or duty, except social security or other employment taxes, that would otherwise have been payable on the transactions or property covered by this contract, but which the Contractor is not required to pay or bear, or for which the Contractor obtains a refund or drawback, as the result of legislative, judicial, or administrative action taking effect after the contract date.

“All applicable Federal, State, and local taxes and duties” means all taxes and duties, in effect on the contract date, that the taxing authority is imposing and collecting on the transactions or property covered by this contract.

“Contract date” means the date set for bid opening or, if this is a negotiated contract or a modification, the effective date of this contract or modification.

“Local taxes” includes taxes imposed by a possession or territory of the United States, Puerto Rico, or the Northern Mariana Islands, if the contract is performed wholly or partly in any of those areas.

- (b) The contract price includes all applicable Federal, State, and local taxes and duties.
- (c) The contract price shall be increased by the amount of any after-imposed Federal tax, provided the Contractor warrants in writing that no amount for such newly imposed Federal excise tax or duty or rate increase was included in the contract price, as a contingency reserve or otherwise.
- (d) The contract price shall be decreased by the amount of any after-relieved Federal tax.
- (e) The contract price shall be decreased by the amount of any Federal excise tax or duty, except social security or other employment taxes, that the Contractor is required to pay or bear, or does not obtain a refund of, through the Contractor’s fault, negligence, or failure to follow instructions of the Contracting Officer.
- (f) No adjustment shall be made in the contract price under this clause unless the amount of the adjustment exceeds \$250.

52.229-3 FEDERAL, STATE, AND LOCAL TAXES (APR 2003)
(DEVIATION – FEB 2007) (Continued)

- (g) The Contractor shall promptly notify the Contracting Officer of all matters relating to any Federal excise tax or duty that reasonably may be expected to result in either an increase or decrease in the contract price and shall take appropriate action as the Contracting Officer directs.
- (h) The ordering activity shall, without liability, furnish evidence appropriate to establish exemption from any Federal, State, or local tax when the Contractor requests such evidence and a reasonable basis exists to sustain the exemption.

**52.232-7 PAYMENTS UNDER TIME-AND-MATERIALS AND LABOR-HOUR
CONTRACTS (FEB 2007) (DEVIATION FEB 2007) (ALTERNATE I -- FEB 2007)**

The ordering activity will pay the Contractor as follows upon the submission of vouchers approved by the Contracting Officer or the authorized representative:

(a) Hourly rate.

- (1) Hourly rate means the rate(s) prescribed in the contract for payment for labor that meets the labor category qualifications of a labor category specified in the contract that are--
 - (i) Performed by the Contractor;
 - (ii) Performed by the subcontractors; or
 - (iii) Transferred between divisions, subsidiaries, or affiliates of the Contractor under a common control.
- (2) The amounts shall be computed by multiplying the appropriate hourly rates prescribed in the Schedule by the number of direct labor hours performed.
- (3) The hourly rates shall be paid for all labor performed on the contract that meets the labor qualifications specified in the contract. Labor hours incurred to perform tasks for which labor qualifications were specified in the contract will not be paid to the extent the work is performed by employees that do not meet the qualifications specified in the contract, unless specifically authorized by the Contracting Officer.
- (4) The hourly rates shall include wages, indirect costs, general and administrative expense, and profit. Fractional parts of an hour shall be payable on a prorated basis.
- (5) Vouchers may be submitted once each month (or at more frequent intervals, if approved by the Contracting Officer), to the Contracting Officer or authorized representative. The Contractor shall substantiate vouchers (including any subcontractor hours reimbursed at the hourly rate in the schedule) by evidence of actual payment and by--
 - (i) Individual daily job timekeeping records;
 - (ii) Records that verify the employees meet the qualifications for the labor categories specified in the contract; or
 - (iii) Other substantiation approved by the Contracting Officer.

**52.232-7 PAYMENTS UNDER TIME-AND-MATERIALS AND LABOR-HOUR
CONTRACTS (FEB 2007) (DEVIATION FEB 2007) (ALTERNATE I --
FEB 2007)(Continued)**

- (6) Promptly after receipt of each substantiated voucher, the ordering activity shall, except as otherwise provided in this contract, and subject to the terms of paragraph (e) of this clause, pay the voucher as approved by the Contracting Officer or authorized representative.
- (7) Unless otherwise prescribed in the Schedule, the Contracting Officer may unilaterally issue a contract modification requiring the Contractor to withhold amounts from its billings until a reserve is set aside in an amount that the Contracting Officer considers necessary to protect the ordering activity's interests. The Contracting Officer may require a withhold of 5 percent of the amounts due under paragraph (a) of this clause, but the total amount withheld for the contract shall not exceed \$50,000. The amounts withheld shall be retained until the Contractor executes and delivers the release required by paragraph (f) of this clause.
- (8) Unless the Schedule prescribes otherwise, the hourly rates in the Schedule shall not be varied by virtue of the Contractor having performed work on an overtime basis. If no overtime rates are provided in the Schedule and overtime work is approved in advance by the Contracting Officer, overtime rates shall be negotiated. Failure to agree upon these overtime rates shall be treated as a dispute under the Disputes clause of this contract. If the Schedule provides rates for overtime, the premium portion of those rates will be reimbursable only to the extent the overtime is approved by the Contracting Officer.

(b) Materials.

- (1) For the purposes of this clause--
 - (i) Direct materials means those materials that enter directly into the end product, or that are used or consumed directly in connection with the furnishing of the end product or service.
 - (ii) Materials means--
 - (A) Direct materials, including supplies transferred between divisions, subsidiaries, or affiliates of the Contractor under a common control;
 - (B) Subcontracts for supplies and incidental services for which there is not a labor category specified in the contract;
 - (C) Other direct costs (e.g., incidental services for which there is not a labor category specified in the contract, travel, computer usage charges, etc.); and
 - (D) Applicable indirect costs.

**52.232-7 PAYMENTS UNDER TIME-AND-MATERIALS AND LABOR-HOUR
CONTRACTS (FEB 2007) (DEVIATION FEB 2007) (ALTERNATE I --
FEB 2007)(Continued)**

- (2) If the Contractor furnishes its own materials that meet the definition of a commercial item at 2.101, the price to be paid for such materials shall not exceed the Contractor's established catalog or market price, adjusted to reflect the--
 - (i) Quantities being acquired; and
 - (ii) Actual cost of any modifications necessary because of contract requirements.
- (3) Except as provided for in paragraph (b)(2) of this clause, the ordering activity will reimburse the Contractor for allowable cost of materials provided the Contractor--
 - (i) Has made payments for materials in accordance with the terms and conditions of the agreement or invoice; or
 - (ii) Ordinarily makes these payments within 30 days of the submission of the Contractor's payment request to the ordering activity and such payment is in accordance with the terms and conditions of the agreement or invoice.
- (4) Payment for materials is subject to the Allowable Cost and Payment clause of this contract. The Contracting Officer will determine allowable costs of materials in accordance with Subpart 31.2 of the Federal Acquisition Regulation (FAR) in effect on the date of this contract.
- (5) The Contractor may include allocable indirect costs and other direct costs to the extent they are--
 - (i) Comprised only of costs that are clearly excluded from the hourly rate;
 - (ii) Allocated in accordance with the Contractor's written or established accounting practices; and
 - (iii) Indirect costs are not applied to subcontracts that are paid at the hourly rates.
- (6) If the nature of the work to be performed requires the Contractor to furnish material that the Contractor regularly sells to the general public in the normal course of business, the price to be paid for such material, notwithstanding the other requirements of this paragraph (b), shall be on the basis of an established catalog or list price, in effect when the material is furnished, less all applicable discounts to the ordering activity, provided that in no event shall such price be in excess of the Contractor's sales price to its most favored customer for the same item in like quantity, or the current market price, whichever is lower.

**52.232-7 PAYMENTS UNDER TIME-AND-MATERIALS AND LABOR-HOUR
CONTRACTS (FEB 2007) (DEVIATION FEB 2007) (ALTERNATE I --
FEB 2007)(Continued)**

- (7) Except as provided for in 31.205-26(e) and (f), the ordering activity will not pay profit or fee to the prime Contractor on materials.
- (c) If the Contractor enters into any subcontract that requires consent under the clause at 52.244-2, Subcontracts, without obtaining such consent, the ordering activity is not required to reimburse the Contractor for any costs incurred under the subcontract prior to the date the Contractor obtains the required consent. Any reimbursement of subcontract costs incurred prior to the date the consent was obtained shall be at the sole discretion of the ordering activity.
- (d) Total cost. It is estimated that the total cost to the ordering activity for the performance of this contract shall not exceed the ceiling price set forth in the Schedule, and the Contractor agrees to use its best efforts to perform the work specified in the Schedule and all obligations under this contract within such ceiling price. If at any time the Contractor has reason to believe that the hourly rate payments and material costs that will accrue in performing this contract in the next succeeding 30 days, if added to all other payments and costs previously accrued, will exceed 85 percent of the ceiling price in the Schedule, the Contractor shall notify the Contracting Officer giving a revised estimate of the total price to the ordering activity for performing this contract with supporting reasons and documentation. If at any time during performing this contract, the Contractor has reason to believe that the total price to the ordering activity for performing this contract will be substantially greater or less than the then stated ceiling price, the Contractor shall so notify the Contracting Officer, giving a revised estimate of the total price for performing this contract, with supporting reasons and documentation. If at any time during performing this contract, the ordering activity has reason to believe that the work to be required in performing this contract will be substantially greater or less than the stated ceiling price, the Contracting Officer will so advise the Contractor, giving the then revised estimate of the total amount of effort to be required under the contract.
- (e) Ceiling price. The ordering activity will not be obligated to pay the Contractor any amount in excess of the ceiling price in the Schedule, and the Contractor shall not be obligated to continue performance if to do so would exceed the ceiling price set forth in the Schedule, unless and until the Contracting Officer notifies the Contractor in writing that the ceiling price has been increased and specifies in the notice a revised ceiling that shall constitute the ceiling price for performance under this contract. When and to the extent that the ceiling price set forth in the Schedule has been increased, any hours expended and material costs incurred by the Contractor in excess of the ceiling price before the increase shall be allowable to the same extent as if the hours expended and material costs had been incurred after the increase in the ceiling price.

**52.232-7 PAYMENTS UNDER TIME-AND-MATERIALS AND LABOR-HOUR
CONTRACTS (FEB 2007) (DEVIATION FEB 2007) (ALTERNATE I --
FEB 2007)(Continued)**

- (f) Audit. At any time before final payment under this contract, the Contracting Officer may request audit of the vouchers and supporting documentation. Each payment previously made shall be subject to reduction to the extent of amounts, on preceding vouchers, that are found by the Contracting Officer or authorized representative not to have been properly payable and shall also be subject to reduction for overpayments or to increase for underpayments. Upon receipt and approval of the voucher designated by the Contractor as the "completion voucher" and supporting documentation, and upon compliance by the Contractor with all terms of this contract (including, without limitation, terms relating to patents and the terms of paragraphs (f) and (g) of this clause), the ordering activity shall promptly pay any balance due the Contractor.

The completion voucher, and supporting documentation, shall be submitted by the Contractor as promptly as practicable following completion of the work under this contract, but in no event later than 1 year (or such longer period as the Contracting Officer may approve in writing) from the date of completion.

- (g) Assignment and Release of Claims. The Contractor, and each assignee under an assignment entered into under this contract and in effect at the time of final payment under this contract, shall execute and deliver, at the time of and as a condition precedent to final payment under this contract, a release discharging the ordering activity, its officers, agents, and employees of and from all liabilities, obligations, and claims arising out of or under this contract, subject only to the following exceptions:
- (1) Specified claims in stated amounts, or in estimated amounts if the amounts are not susceptible of exact statement by the Contractor.
 - (2) Claims, together with reasonable incidental expenses, based upon the liabilities of the Contractor to third parties arising out of performing this contract, that are not known to the Contractor on the date of the execution of the release, and of which the Contractor gives notice in writing to the Contracting Officer not more than 6 years after the date of the release or the date of any notice to the Contractor that the ordering activity is prepared to make final payment, whichever is earlier.
 - (3) Claims for reimbursement of costs (other than expenses of the Contractor by reason of its indemnification of the ordering activity against patent liability), including reasonable incidental expenses, incurred by the Contractor under the terms of this contract relating to patents.
- (h) Interim payments on contracts for other than services.
- (1) Interim payments made prior to the final payment under the contract are contract financing payments. Contract financing payments are not subject to the interest penalty provisions of the Prompt Payment Act.

**52.232-7 PAYMENTS UNDER TIME-AND-MATERIALS AND LABOR-HOUR
CONTRACTS (FEB 2007) (DEVIATION FEB 2007) (ALTERNATE I --
FEB 2007)(Continued)**

- (2) The designated payment office will make interim payments for contract financing on the * _____ * day after the designated billing office receives a proper payment request. In the event that the ordering activity requires an audit or other review of a specific payment request to ensure compliance with the terms and conditions of the contract, the designated payment office is not compelled to make payment by the specified due date. (i) Interim payments on contracts for services. For interim payments made prior to the final payment under this contract, the ordering activity will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations at 5 CFR part 1315.
- (i) The terms of this clause that govern reimbursement for materials furnished are considered to have been deleted.

52.232-17 INTEREST (JUN 1996) (DEVIATION – MAY 2003)

- (a) Except as otherwise provided in this contract under a Price Reduction for Defective Cost or Pricing Data clause or a Cost Accounting Standards clause, all amounts that become payable by the Contractor to the ordering activity under this contract (net of any applicable tax credit under the Internal Revenue Code (26 U.S.C. 1481)) shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in Section 12 of the Contract Disputes Act of 1978 (Public Law 95-563), which is applicable to the period in which the amount becomes due, as provided in paragraph (b) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.
- (b) Amounts shall be due at the earliest of the following dates:
 - (1) The date fixed under this contract.
 - (2) The date of the first written demand for payment consistent with this contract, including any demand resulting from a default termination.
 - (3) The date the ordering activity transmits to the Contractor a proposed supplemental agreement to confirm completed negotiations establishing the amount of debt.
 - (4) If this contract provides for revision of prices, the date of written notice to the Contractor stating the amount of refund payable in connection with a pricing proposal or a negotiated pricing agreement not confirmed by contract modification.
- (c) The interest charge made under this clause may be reduced under the procedures prescribed in 32.614-2 of the Federal Acquisition Regulation in effect on the date of this contract.

52.232-19 AVAILABILITY OF FUNDS FOR THE NEXT FISCAL YEAR (APR 1984)
(DEVIATION - MAY 2003)

Funds are not presently available for performance under this contract beyond *_____* . The ordering activity's obligation for performance of this contract beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the ordering activity for any payment may arise for performance under this contract beyond *_____* , until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer.

**52.232-34 PAYMENT BY ELECTRONIC FUNDS TRANSFER—OTHER THAN
CENTRAL CONTRACTOR REGISTRATION (MAY 1999) (DEVIATION – FEB 2007)**

(a) Method of payment.

- (1) All payments by the ordering activity under this contract shall be made by electronic funds transfer (EFT) except as provided in paragraph (a)(2) of this clause. As used in this clause, the term “EFT” refers to the funds transfer and may also include the payment information transfer.
- (2) In the event the ordering activity is unable to release one or more payments by EFT, the Contractor agrees to either—
 - (i) Accept payment by check or some other mutually agreeable method of payment; or
 - (ii) Request the ordering activity to extend payment due dates until such time as the ordering activity makes payment by EFT (but see paragraph (d) of this clause).

(b) Mandatory submission of Contractor's EFT information.

- (1) The Contractor is required to provide the ordering activity with the information required to make payment by EFT (see paragraph (j) of this clause). The Contractor shall provide this information directly to the office designated in this contract to receive that information (hereafter: “designated office”) by * _____. If not otherwise specified in this contract, the payment office is the designated office for receipt of the Contractor’s EFT information. If more than one designated office is named for the contract, the Contractor shall provide a separate notice to each office. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the designated office(s).
- (2) If the Contractor provides EFT information applicable to multiple contracts, the Contractor shall specifically state the applicability of this EFT information in terms acceptable to the designated office. However, EFT information supplied to a designated office shall be applicable only to contracts that identify that designated office as the office to receive EFT information for that contract.

(c) Mechanisms for EFT payment. The ordering activity may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System. The rules governing Federal payments through the ACH are contained in 31 CFR Part 210.

**52.232-34 PAYMENT BY ELECTRONIC FUNDS TRANSFER—OTHER THAN
CENTRAL CONTRACTOR REGISTRATION (MAY 1999) (DEVIATION –
FEB 2007)(Continued)**

(d) Suspension of payment.

- (1) The ordering activity is not required to make any payment under this contract until after receipt, by the designated office, of the correct EFT payment information from the Contractor. Until receipt of the correct EFT information, any invoice or contract financing request shall be deemed not to be a proper invoice for the purpose of prompt payment under this contract. The prompt payment terms of the contract regarding notice of an improper invoice and delays in accrual of interest penalties apply.
- (2) If the EFT information changes after submission of correct EFT information, the ordering activity shall begin using the changed EFT information no later than 30 days after its receipt by the designated office to the extent payment is made by EFT. However, the Contractor may request that no further payments be made until the updated EFT information is implemented by the payment office. - (1) If an uncompleted or erroneous transfer occurs because the ordering activity used the Contractor's EFT information incorrectly, the ordering activity remains responsible for—

However, the ordering activity does not guarantee that any particular format or method of delivery is available at any particular payment office and retains the latitude to use the format and delivery method most convenient to the ordering activity. If the ordering activity makes payment by check in accordance with paragraph (a) of this clause, the ordering activity shall mail the payment information to the remittance address in the contract.
