Milwaukee County Zoo

The seventh annual *Kids Day* event will take place Friday, June 22, as part of the 27th National Veterans Wheelchair Games. *Kids Day* offers children with physical disabilities from the local Milwaukee area an opportunity to interact with the many athletes competing in the Games. Under the guidance of these experienced athlete mentors, the children will enjoy both educational and interactive activities.

Kids Day provides an opportunity to introduce the wonderful world of adaptive sports and recreational activities to children with physical disabilities, helping encourage a fun and active everyday life. Children will have the chance to participate in several athletic activities as well as a special closing ceremony, where veteran athletes will present the children with their own medal for participating in this year's *Kids Day* event.

Kids Day is free and open to the public, but advance registration is required.
