

Here We Go Again!

Whether it's your first time as a participant, or you're a repeat veteran of this event, you're in for one of the most memorable weeks of your life. Welcome to Snowmass, and the 16th National Disabled Veterans Winter Sports Clinic!

A week full of exciting, fun events has been planned for you, and we hope you'll take advantage of every minute. All of us from VA, DAV and the volunteer community are here to ensure that you have everything you need to make this as fulfilling and enjoyable as possible. If there's anything you need, don't hesitate to ask.

The *Ski Gram* will be our communications voice this week. Each day, we will give you as much information as we can, teach you something new, tell some of your stories, and try to make you smile a little along the way. Look for our first full issue tomorrow morning. But in the meantime, get settled in, enjoy the Taste of Snowmass, and be sure you come to tonight's Opening Ceremonies.

Everybody ready? Then let's get started!!!
