

During the 20th National Disabled Veterans Winter Sports Clinic, the Department of Veterans Affairs and the Library of Congress invite you to be part of an important national effort – *The Veterans History Project (VHP)*.

This project is meant to honor **YOU**, our nation's veterans, by creating a lasting legacy of your military experience. Regardless of your branch or period of service, age, military career or experience, we need your story. *Share it with us – and make history come alive!*

Your 45-minute interview will be videotaped. The videotape will be given to the Library of Congress, and you and your story will then become part of our nation's official historical records. In appreciation, you will receive a DVD copy of your interview as well as a VHP tote bag and commemorative VHP coin.

What: *Your Story ... Told Your Way!*
