Eligibility

All honorably discharged men and women who meet the eligibility criteria can receive VA medical benefits. Some veterans, depending on income, may be required to make a co-payment for health care services. Call (716) 862-8888 or (800) 532-VETS ext. 8888 for more information.

How Do You Enroll?

Complete the Application for Medical Benefits, VAF 10-10EZ online, by mail or in person. This short form can be completed in 10-15 minutes. Please provide a copy of your DD-214 or honorable discharge certificate. You will appreciate the warm, caring attitude of the VA staff that pledge to provide you with courteous service.

Visits Require An Appointment

Call the clinic any weekday between 9:00 a.m. and 5:00 p.m. at (716) 375-7555. Our medical staff will provide you with an initial evaluation and future follow-up outpatient visits.

What Services Are Available?

The Olean VA Outpatient Clinic offers a full range of primary care outpatient services to veteran men and women in Olean and the immediate surrounding areas. Patients are seen on an appointment basis only. This will help us ensure you receive the timely services you deserve. VA nursing staff will be available to assess your needs and ensure you'll get access to the care you need, when you need it.

You will be able to receive an annual physical examination or appropriate health screening, immunizations, medication and any follow-up care required by your primary care practitioner.

Should you need specialty services or inpatient care, you will be referred to a VA medical center for appropriate treatment.

If you need inpatient treatment at a VA facility that is not near your home, accommodations are available at not charge for you and your caregiver.

Mental Health

Maintaining good mental health is a responsibility that we all share. At times, we need assistance to manage the stress and problems that can be overwhelming.

The Mental Health Practice in Olean offers individual and group counseling to veterans who have problems related to depression, anxiety, family issues or chronic problems of mental illness. Wellness workshops are also offered on the topics of: anger management, stress management, bereavement, sleep hygiene, parenting skills, and memory enhancement.

Please ask your VA primary care provider for a referral to the mental health services offered.
