

About the Medical Center

The Canandaigua VA Medical Center, part of the VA Healthcare Network Upstate New York, is located in the heart of the Finger Lakes Region, 30 miles southeast of Rochester in Canandaigua, New York. The Canandaigua VA Medical Center has provided inpatient and outpatient medical services to veterans living in western New York State for 70 years. Located on 150 acres, the Medical Center is host to numerous health care programs and services.

The Medical Center provides primary medical care, as well as a full range of outpatient services, and long-term medical care, including nursing home and dementia. Adult day health care, respite care, home based primary care, and residential home care is also available. The Canandaigua VA Medical Center provides acute and long-term psychiatric care, including alcohol/drug rehabilitation, post traumatic stress disorder treatment, a domiciliary program, a mental health intensive case management program, a day treatment center, and other mental health outpatient programs.

Other specialized medical services include: audiology, dental, dermatology, dietetics, ear/nose/throat, gastroenterology, laboratory, neurology, ophthalmology, pharmacy, physical rehab medicine, podiatry, prosthetics and sensory aids, radiology, respiratory therapy, sexual trauma counseling, skills training, social work, urology, and women's wellness.

Canandaigua VA Medical Center Speakers Bureau

There is a lot happening at the Canandaigua VA Medical Center (VAMC) and we would like to share our Medical Center with you through our Speakers Bureau Program. Our commitment to caring for the veteran, education of personnel in the health care profession, and quality management enable us to offer a broad variety of topics.

The Canandaigua VAMC Speakers Bureau was established as a service to the community in order to share our activities and expertise with you. We will be pleased to provide you with speakers for schools, civic and community groups.

Our topics can be tailored to fit your special needs. We would appreciate receiving your request four weeks in advance, but if you have a last minute emergency, we will do our best to meet your needs.
