1. REASON FOR ISSUE: To revise Department of Veterans Affairs (VA) procedures regarding employee recognition and awards.

2. SUMMARY OF CONTENTS/MAJOR CHANGES: This handbook contains VA policy on recognizing and rewarding VA employees. The pages in this transmittal replace the corresponding pages in Part V and in the appendices to Part V of VA Handbook 5017, dated April 15, 2002. These changes will be incorporated into the electronic version of the VA Handbook 5017 that is maintained on the Office of Human Resources Management and Labor Relations website. Significant changes include:

   a. Revisions to coverage based on additional Title 5 positions being converted to Title 38 hybrid positions.

   b. The development of Special Advancement for Achievement criteria for all Title 38 hybrid occupations.

   c. Special Advancement for Performance nominations for Title 38 hybrid employees no longer requires review by a Professional Standards Board.

5. RESCISSIONS: None.

1. SCOPE. This part contains policies, procedures and guidelines governing the advancement of physicians, dentists, podiatrists, optometrists, chiropractors, registered nurses, nurse anesthetists, physician assistants and expanded-function dental auxiliaries appointed under authority of 38 U.S.C. 7401(1) or 7405(a); and, [Title 38 hybrid employees] appointed under [ ] 38 U.S.C. 7401(3) or 7405(a)(1)(B). Excluded are [facility directors, chiefs of staff,] medical and dental residents appointed under authority of 38 U.S.C. 7406, and health care executives appointed under 38 U.S.C. 7306.

2. REFERENCES

   a. VA Directive 5017

   b. 38 U.S.C., chapters 73 and 74

3. PERSONS AUTHORIZED TO APPROVE ADVANCEMENTS. The Under Secretary for Health, or a designee, shall approve all advancements of employees covered by this part. (See appendix A of this part.)

4. CRITERIA FOR SPECIAL ADVANCEMENT FOR ACHIEVEMENT (SAA)

   a. Physicians and Dentists. Full-time, part-time, and intermittent physicians and dentists may be advanced within the grade from one to five steps on the basis of professional achievement above that expected for the grade level or assignment providing they have demonstrated a high level of performance and potential for assumption of greater responsibility. Such achievement may be demonstrated by professional attainments in health care management, education, research, or patient care worthy of national or international recognition.

   b. Podiatrists, Optometrists and Chiropractors. Full-time, part-time, and intermittent podiatrists, optometrists, and chiropractors may be advanced within the grade from one to five steps on the basis of professional achievement above that expected for the grade level or assignment providing they have demonstrated a high level of performance and potential for assumption of greater responsibility. Examples of professional achievement are:

      (1) Outstanding and exceptional achievement as evidenced by receipt of official recognition from a recognized professional or academic organization.

      (2) Significant professional attainment in research or contributions to podiatric, optometric, or chiropractic science and patient care worthy of publication in a national or international journal of high regard within the respective professions.
(6) Independently producing or serving as a principal assistant or major contributing member on research producing publishable results that advance patient care or medical science; or

(7) Attainment of specialty certification within the occupation. This does not include certification as a physician assistant by the National Commission on Certification of Physician’s Assistants, which is a condition of employment as a physician assistant in VHA.

e. Expanded-Function Dental Auxiliaries. Full-time, part-time, and intermittent expanded-function dental auxiliaries may be advanced within their grade from one to five steps on the basis of professional achievement above that expected for the grade level or assignment provided they have demonstrated excellence in performance and potential for assumption of greater responsibility. Such achievement may be evidenced by:

(1) Completion of significant research in either the biomedical or health care delivery area and publication of these results in a recognized journal.

(2) Recognition of outstanding and exceptional achievement by receipt of an official award and publication of these results in a recognized journal.

(3) Academic achievement by completion of a postgraduate degree in a related health care field.

f. Pharmacists, Occupational Therapists, Physical Therapists, Certified Respiratory Therapists, Registered Respiratory Therapists, Licensed Practical/Vocational Nurses, Audiologists, Speech Pathologists, Audiologist-Speech Pathologists, Dieticians, Kinesiotherapists, Medical Record Administrators/Specialists, Medical Technologists, Psychologists, Social Workers, Biomedical Engineers, Pharmacy Technicians, Medical Instrument Technicians, Medical Record Technicians, Dental Hygienists, Dental Assistants, Nuclear Medicine Technologists, Occupational Therapy Assistants, Therapeutic Radiologic Technologists, Physical Therapy Assistants, Diagnostic Radiologic Technicians, Prosthetic Representatives, and Orthotist-Prosthetists. These occupations may be advanced within the grade from one to five steps on the basis of professional achievement above that expected for the grade level or assignment provided they have demonstrated a high level of performance and potential for assumption of greater responsibility. [Please note that the granting of four or five steps should be reserved for only the highest personal achievements, and should be rare.] To the extent possible, all employees should be encouraged to seek developmental opportunities that could enhance their personal qualifications and be afforded fair and equitable opportunity to accomplish such achievements. [Examples of professional achievement include]:

(1) Professional attainments in health care management, education, research, and patient care that are recognized at the national or international level, or are published in a recognized journal within the employee’s occupation, or

(2) [Attainment of certification by an appropriate national certifying body, unless such certification is a condition of employment within VA or meets the criteria in the qualification standard for promotion to a higher grade, or]
(3) [Academic achievement by the completion of a higher-level degree in a field related to the Department’s health care mission, unless the degree is a condition for promotion under the applicable qualification standard, or]

(4) [Election to office in a professional organization at the state or national level in recognition of significant and distinguished contributions to the employee’s occupation, or]

(5) Recognition of outstanding and exceptional achievement by a professional or academic organization, or

(6) Independently producing or serving as a principle assistant or major contributing member on research producing publishable results that advance patient care or medical science, or

(7) Appointment to a university faculty position, or

(8) Appointment to a State licensing board or national certifying or accrediting body related to the practice of the employee’s occupation.

NOTE: Individuals at the top step of their grade cannot receive an increase to base pay; however, they can be recognized with a Special Contribution Award per Part III of this handbook providing they have demonstrated a high level of performance and potential for assumption of greater responsibility, and by meeting one of the examples of professional achievement stated above.

NOTE: Local facilities are encouraged to develop criteria to ensure consistent application of Special Advancements for Achievement.

5. PROCESSING AND DOCUMENTING SPECIAL ADVANCEMENTS FOR ACHIEVEMENT (INCLUDING USE OF STANDARDS BOARDS). See appendices B and C of this part.

6. CRITERIA FOR SPECIAL ADVANCEMENT FOR PERFORMANCE (SAP)

   a. Consideration. Full-time, part-time and intermittent physicians [(other than chiefs of staff)], dentists, podiatrists, optometrists and chiropractors in Executive grade and below and registered nurses (other than nurse executives), nurse anesthetists, physician assistants, and expanded-function dental auxiliaries who have demonstrated a sustained high level of performance and professional competence over and above that normally expected of employees in the particular grade and profession, or who have made noted contributions in some phase of their profession, may be considered for [ ]SAP[s]. [Hybrid Title 38 positions] may be considered in accordance with paragraph f. [ ]. [Union officials serving on 100 percent official time who do not perform sufficient management-assigned duties to receive an evaluation of their performance are not eligible for SAPs.]

   b. Physicians, Dentists, Podiatrists, Optometrists, and Chiropractors. An advancement of three steps, not to exceed the maximum of the grade, may be granted in lieu of and on the same due date established for a periodic step increase. Two steps may be granted when employee is at the eighth step of the grade. The employee must have demonstrated a sustained high level of performance as evidenced by the following examples:

   (1) Demonstration of exceptional skills and aptitudes in the care and treatment of patients.
(2) Actual assumption of greater professional and/or administrative responsibility. Faculty appointment (post residency) at the rank of instructor or above may be considered as a greater responsibility.

(3) Significant research.

(4) Significant clinical contribution (including publication).

c. **Registered Nurses and Nurse Anesthetists.** An advancement of one step within the grade may be granted to covered employees when there has been a demonstrated sustained high level of performance and ability over and above that normally expected of employees in the particular grade and profession. In addition, one or more of the criteria listed in chapter 4, paragraph 6 of part III of VA Handbook 5005, Staffing, must be met.

d. **Physician Assistants.** The employee must have demonstrated a sustained high level of performance and ability over and above that normally expected of employees in the particular grade and profession or there must have been noted contributions in some aspect of health care. Criteria for one-step advancement will be demonstrated [by] superior performance as evidenced by:

1. Assumption of a major responsibility in administering a major patient care program.

2. Significant accomplishments associated with an academic program conducted in affiliation with the facility where the physician assistant is employed.

e. **Expanded-Function Dental Auxiliaries.** The employee must have demonstrated a sustained high level of performance and ability over and above that normally expected of employees in the particular grade and profession or there must have been noted contributions in some phase of health care. Criteria for 1-step advancement will be demonstrated by superior performance as evidenced by:

1. Demonstration of exception skills and aptitudes in the care and treatment of patients.

2. Significant accomplishments associated with an academic program conducted in affiliation with the VA facility where the person is employed.

f. **Pharmacists, Occupational Therapists, Physical Therapists, Certified Respiratory Therapists, Registered Respiratory Therapists, Licensed Practical or Vocational Nurses, [Audiologists, Speech Pathologists, Audiologist-Speech Pathologists, Dieticians, Kinesiotherapists, Medical Record Administrators/Specialists, Medical Technologists, Psychologists, Social Workers, Biomedical Engineers, Pharmacy Technicians, Medical Instrument Technicians, Medical Record Technicians, Dental Hygienists, Dental Assistants, Nuclear Medicine Technologists, Occupational Therapy Assistants, Therapeutic Radiologic Technologists, Physical Therapy Assistants, Diagnostic Radiologic Technicians, Prosthetic Representatives, and Orthotist-Prosthetists].** The Quality Step Increase provisions in part III, paragraph 3 of this handbook will be used to grant one-step special advancements for performance for employees in these occupations. [T]he Quality Step Increase provisions in part III, paragraph 3 of this handbook will be used to grant one-step special advancements for performance for employees in these occupations. Special advancement for performance recommendations for Title 38 hybrid employees will not require review by a Professional Standards Board. Instead, recommendations will be forwarded directly to the appropriate approving authority listed in appendix A of this part.
NOTE: Individuals at the top step of their grade cannot receive an increase to base pay; however, they can be recognized with a Special Contribution Award per Part III of this handbook.

7. PROCESSING AND DOCUMENTING SPECIAL ADVANCEMENTS FOR PERFORMANCE. See appendices C and D of this part.

a. Physicians, Dentists, Podiatrists, Optometrists and Chiropractors

(1) Approximately 90 days prior to the employee’s completing the waiting period for a periodic step increase or rate adjustment, the facility will receive from the Austin Automation Center (AAC), VA Form 97, Notice of Pending Personnel Action, in duplicate, identifying the employee and stating that the employee is eligible for consideration for Special Advancement for Performance. An advancement of three steps, not to exceed the maximum of the grade, may be granted in lieu of and on the same due date established for a periodic step increase. Two steps may be granted when employee is at eighth step of the grade. Human Resource Management Officers shall assure that appropriate officials will be notified in anticipation of eligibility. **NOTE:** For physicians and dentists only: Local officials may approve a Special Advancement for Performance retroactive to the date of the periodic step increase when, through administrative error, the advancement was not granted on the due date.

(2) The advancement shall be regarded as an equivalent increase.

(3) No two such advancements may be granted in succession within the grade.
