

RESCISSION OF VA GRANTS POLICY DIRECTIVE 0071

1. The VA directive 0071 Grants Management is rescinded and has been superseded by grants policy chapters issued by the Office of Financial Policy.
2. The policy chapters were developed through the Financial Process Improvement Initiative (FPII) which established a review and voting process. The FPII was implemented to address an audit finding and recommendation that VA update its financial management policies and procedures.
3. The grants policy chapters represent the latest policy published by legislative authority, to include updates in the U.S. Code or issued by the Office of Management and Budget and other recognized authorities.
4. The replacement policy for VA Directive 0071 rescinded policy is contained in VA Financial Policy Volume X Grants Management.
5. **RESCISSION.** This Notice expires on December 31, 2014; however the rescission action will remain in effect.
